Why advertise with AUVSI?

Our audience helps make up the multi-billion dollar unmanned systems and robotics industry. Industry professionals rely on the information and insights gleaned from AUVSI to make them stronger and more profitable.

If you are looking to launch a new product, generate brand awareness, provide industry-thought leadership or simply want to network with those who are shaping the future of the unmanned systems industry, then advertising with AUVSI is a must.

Through customized and integrated marketing opportunities, AUVSI provides the resources you need to build relationships with those who are innovating and evolving the unmanned systems and robotics industry. Over the years, we have successfully built personal relationships with many of the most influential decision makers in the space and we can help you get your products and services seen by the right people, at the right time.

AUVSI members receive exclusive rates!

Only AUVSI members have the best access to the world’s largest unmanned systems community. From exclusive networking events to exciting business development opportunities, our members know the unmanned systems industry. Join AUVSI today and take advantage of preferred pricing and exclusive access to:

- Vital industry data and information you won’t find any place else
- Networking opportunities with key decision-makers
- Discounts on AUVSI events
- Advocacy efforts to break down and prevent regulatory barriers

If you’re not an AUVSI member, you are encouraged to become one today. Not only will your membership help you save money, but more importantly, it will open doors and give you the opportunity to build profitable relationships for years to come.

## ARTWORK AND PRINTING STANDARDS:
All ads are printed using 4-color (CMYK) process. An electronic, high-resolution, print-ready (CMYK) PDF format is preferred for providing artwork. Other options for electronic file submission are (Mac or PC): InDesign, Illustrator or Photoshop. When providing any of these formats (except flattened Photoshop EPS or TIF files) all fonts and images used must be provided and a hard copy or low-resolution PDF of the most current version of the ad must be included. Trim size is 7.625” x 10.625” (or 193.6mm x 269mm). All full-page ads should be set up to run with a bleed and have .125” (or 4mm) extension on each of the four sides (top, bottom, left and right) for bleeds. There is no additional charge for full-page bleeds. Logos should be provided in 4-color eps AND jpeg/png format.

Targeted Direct Mail and Email Lists

New customers are essential to growing your company and getting your message into the right hands of the unmanned systems and robotics businesses you want to target. Our marketing partner, Worldata, has developed a world-class database to help you:

- **Reach the perfect audience**
  Choose from buying audiences in air, ground and maritime and segment by geographic information to target the right audience for your marketing, sales, and research efforts for your B2B campaign.

- **Save time and resources**
  Work with the Worldata specialist to quickly build the list that is right for you.

- **Get a better return on your investment**
  This database is the most comprehensive resource available to target the unmanned systems and robotics industry and will prove to be an extremely effective marketing tool for your marketing campaigns.

**How the Data is Compiled and Verified**

The data is gathered from a multitude of directory and event-driven sources, including new business filings, press releases, corporate websites, annual reports, and thousands of other directories and events. The data is regularly reviewed for accuracy to ensure you get the best value from your marketing dollar.

Start finding new customers with a targeted, accurate, multi-channel data list. Contact Stacy Wishner at swishner@corpwd.com for more details.

AUVSI Webinar Series

AUVSI webinars target all levels of professionals working in the unmanned systems and robotics space. By sponsoring an AUVSI webinar, your company becomes associated with education, training and guidance on emerging issues, and demonstrates your alignment with the interests of the unmanned systems community.

Each year, hundreds of unmanned systems industry professionals take advantage of these webinars. Don’t miss this opportunity to have your brand noticed by key buyers. AUVSI Webinars are available for real-time viewing or on-demand after the live presentation is over which means viewers will potentially be seeing our brand all year long. Sponsor a webinar that most aligns with your company’s products and services.

AUVSI Events

AUVSI hosts premier events throughout the year, which provide multiple opportunities to exhibit, advertise and sponsor to reach our targeted audience of engaged unmanned systems and robotics industry leaders and decision-makers.

AUVSI events are an additional way to reach the unmanned systems and robotics community. Our events bring together leaders and innovators shaping the industry while allowing you the opportunity to network and capitalize on growth opportunities. Event opportunities include:

The FAA and AUVSI have partnered to host the FAA UAS Symposium, providing stakeholders an opportunity to talk with a cross-section of government and industry representatives about regulations, research, and other initiatives to integrate UAS into the National Airspace System.

As the largest unmanned systems and robotics event in the world, AUVSI XPONENTIAL is YOUR best opportunity to influence buyers, build your brand, expand your network and/or launch new technologies to both existing and new customers alike.

No other event provides you access to both academia and industry in one combined event where the focus is on learning while building your brand or showcasing your technology.

The most comprehensive defense-focused event in the unmanned systems industry concentrated on the needs of the entire federal government.

AUVSI Hill Day brings together industry leaders from across the nation to educate lawmakers about how policies are directly impacting businesses and how our industry is creating more jobs.

Bundle and Save!

AUVSI has developed engagement opportunities that will help you effectively communicate with the unmanned systems industry all year long. Whether you are looking to launch new products, provide new information that will position your company as a thought leader, want to reach a specific demographic or simply need to build a network, AUVSI has a strategy for you.

Crossing print, digital and live events, AUVSI sponsorship and advertising opportunities expand your reach in multiple platforms ranging from a broad to targeted audience. A custom advertising or sponsorship package provides you with a cost-effective way to achieve your goals. Your business strategist will work to understand your goal and design a custom strategy specifically for you and your needs.

See how AUVSI can help you:

**Branding/Product Launch**

With an all-encompassing reach into the unmanned systems and robotics industry, AUVSI provides several powerful opportunities to announce your new product and grab the attention of key decision makers you simply won’t find any place else.

**Thought Leadership**

Position your company as a relevant thought-leader in the ever-changing, rapidly advancing unmanned systems and robotics industry by participating as a speaker at an AUVSI event or contributing content to Unmanned Systems magazine. AUVSI provides several opportunities—regardless of the domain, industry or technology—to position yourself as an industry resource, expert and thought leader.

**Target Demographics**

AUVSI membership is a massive congregation of unmanned systems professionals from across all domains and more than 20+ markets. We’ve created a variety of experiences and opportunities to target specific demographics to achieve the ROI you seek.

**Networking**

As THE leading association for all things unmanned, AUVSI offers the most relevant networking events. Attendees and exhibitors converge at AUVSI events to establish key relationships with decision makers to drive sales, partnerships and connections. Get involved with our networking events and watch your sales skyrocket and universe expand.

Thought-Leadership Opportunity

Position your company as a thought-leader in the unmanned systems industry. Provide contributed content to AUVSI’s Unmanned Systems magazine. Our readers rely on our publications to find new products, understand best practices and learn from the latest industry trends. Now it’s easier than ever for you to showcase your expertise about the industry.

What does your sponsorship include?

- 500-word article written by industry writers in collaboration with you
- Acknowledgement throughout the article
- PDF of published article for your digital distribution
- Full page, 4-color ad
- 100 copies of the issue containing your article
- An email announcement promoting the availability of that month’s magazine with a special link to your article
- An eBrief article during the month of publication, summarizing the print article and linked to online article
- An ad on auvsi.org promoting the article and have it linked to the online article

ARTWORK/PRINTING STANDARDS
All ads are printed using 4-color (CMYK) process. An electronic, high-resolution, print-ready (CMYK) PDF format is preferred for providing artwork. Other options for electronic file submission are (Mac or PC): InDesign, Illustrator or Photoshop. When providing any of these formats (except flattened Photoshop, EPS or TIF files) all fonts and images used must be provided and a hard copy or low-resolution PDF of the most current version of the ad must be included. All fullpage ads should be set up to run with a bleed and have .125” extension on each of the four sides (top, bottom, left and right) for bleeds. There is no additional charge for full-page bleeds. Only electronic files under 5 MB will be accepted via email at advertising@auvsi.org. Files larger than 5 MB are to be uploaded to our FTP site: auvsi.formstack.com/forms/auvsi_ftpsubmission.

CONTRACT TERMS AND CONDITIONS

1. All advertising reservations and materials must be received on or before the published deadline. AUVSI is not responsible for ensuring that artwork replacements submitted after the published deadlines are printed. The advertiser is responsible for ensuring that materials are submitted in final, legal, and acceptable formats and sizes. AUVSI will make every effort to honor ad swaps but cannot guarantee such requests. Late advertisements may be accepted at the discretion of AUVSI. Advertising rates, terms and conditions set forth in this rate card shall govern all transactions and supersede any other information published in previous rate cards, directories, media guides or rate and data services.

2. AUVSI reserves the right to refuse any advertisement at any time. Any advertising copy that might be mistaken as an article, editorial, commentary or other non-advertising material must be clearly marked “advertisement.” Publisher reserves the right to add the word “advertisement” to or reject advertising that simulates editorial. Advertisements should not contain nudity or sexual innuendo.

3. AUVSI is not responsible for misspellings or errors in advertisements. AUVSI will not add text or booth information to artwork. Proofs are not provided. In the event of an error in the printing of a display advertisement, the publisher will rerun the correct version of the same ad material in the next available issue published. Publisher’s liability for any error will not exceed the cost of the advertisement’s space. AUVSI is not liable for delays in delivery and/or non-delivery in the event of an act of God, action by any governmental or quasi-governmental agency, fire, flood, insurrection, riot, explosion, embargo, legal or illegal strikes, labor or material shortage, transportation interruption of any kind, work slowdown, or any circumstances beyond the control of the publisher affecting production or delivery in any manner.

4. Conversion, film, drawings or photographs will be made on order and charged at prevailing rates. Cost of necessary repairs to material received in either worn or damaged condition is to be paid by advertisers. These charges are noncommissionable.

5. Payment must be received (not postmarked) within 30 days of invoice date. AUVSI provides a 15% discount on advertising in the magazine, eBrief, auvsi.org to recognized agencies, provided payment is received (not postmarked) within 30 days of invoice date. Any invoice not paid within 30 days of invoice will be subject to interest and penalty charges. Companies with a balance more than 90 days old forfeit all future advertising until all invoices are paid. Neither the advertiser nor its agency may cancel advertising after the issue closing date. When change of copy is not received by closing date, copy furnished or run in previous issue will be printed. Publisher reserves the right to hold the advertising agency and the advertiser jointly and severally liable for payments due the publisher. In the event that an advertiser has paid the agency, the advertiser is fully responsible for paying all invoices due the publisher.

6. Cancellations must be in writing and will be subject to 50 percent penalty of the advertising cost if the cancellation occurs after the space closing deadline. Frequency discounts are available and are based on the number of insertions run within a 12-month period from the date of first insertion. Any advertiser who does not fulfill a contract will be subject to short rates. Ad contracts may be canceled provided notice is given before the closing date. Credits and rebates may be earned by increasing frequency during a contract. Orders subject to rate change upon 90 days’ notice from publisher.

7. Unless specifically paid for as such, AUVSI will make every attempt to honor placement requests but cannot guarantee such requests.

8. Special promotional or one-time corporate member discounts cannot be combined with any other agency or promotional discounts. In all such cases, the higher discount will be accepted and applied.
